Dear Friends,

I am pleased to extend warm greetings to all those gathered for Hofstra' 28th Annual Gala. Congratulations to tonight's honoree David S. Mack, alumni from the class of 1967. Thank you for all your hard work and dedication both in the Hofstra community and in New York.

Hofstra University, founded nearly 90 years ago, facilitates an environment that cultivates critical thinking, creativity, new ideas, and collaboration. This university stimulates a passion for learning and a commitment to helping their students thrive and succeed to become leaders in their communities. A good education is critical for future success, and such an education should be accessible to all. I commend President Poser and the staff, board members, trustees, and supporters of the University for their commitment to educating the leaders of tomorrow.

Please accept my best wishes for a wonderful event and many more years of continued success.

Sincerely,

A handwritten signature in blue ink that reads "Kirsten Gillibrand".
