Hon. Dorothy L. Goosby  
Deputy Supervisor

May 1, 2025

Greetings!

It is with great pleasure that I extend my warmest greetings and best wishes to Hofstra University, on the occasion, of your annual Gala to support the Endowed Scholarship program.

I commend Hofstra University on your dedication to providing the highest educational standards for students and your unwavering commitment to ensuring that funding is available to offset some of the costs that students face. Scholarships do make a tremendous difference in the lives of students and minimize some of the financial burdens.

This worthy annual Gala event provides an opportunity to celebrate and recognize individuals for their support, dedication and commitment to Hofstra's diverse programs. Mr. Donald M. Schaeffer, JD, CPA has proved to be an outstanding benefactor to Hofstra's academic and arts initiatives and tenure as the chair of the Board of Trustees.

Congratulations Mr. Schaeffer, and please thank your wife Mrs. Joan Behr Schaeffer for the generosity, time and support that you have both given towards the success of Hofstra University and its programs. Thank you for all that you have done and continue to do for our youth and Hofstra students. I wish you the best of luck, continued success and all the good things that life has to offer.

*You have made a difference in the lives of others!*

Sincerely

A handwritten signature in blue ink, appearing to read "Dorothy", written in a cursive style.
