Dear Mr. Schaeffer,

Congratulations on being named Hofstra University's 2025 Honoree at this year's annual Hofstra Gala!

Your dedication, commitment and service to Hofstra University has been an inspiration to the many students, alumni, professors and staff members whose lives you have touched over the years. As an honorary alumnus, as well as a Member and Chairman of the Hofstra University Board of Trustees, your ongoing support and philanthropic contributions have afforded tremendous opportunities for the Hofstra University community.

Further, your educational and professional accomplishments, ranging from business to the arts, serve as an inspiration to local students – many of which are greatly empowered by the fellowship and scholarship programs you have created and continue to support.

Congratulations again on this great honor and thank you for your commitment and contributions to the Hofstra University family!

Sincerely,
