Dear Friends:

On behalf of the New York State Assembly, I am truly honored to recognize the remarkable achievements of the Hofstra Endowed Scholarship Program and your honoree, Hofstra Athletics, at the annual Gala this evening.

Hofstra Athletics sponsors 21 athletic teams. By recruiting students with high academic qualifications, good character, and superior athletic abilities, the athletic program fosters among its students a sense of leadership, discipline, mutual trust, and social responsibility. With a history dating back to the 1930's, Hofstra Athletics is a source of immense pride for your students, alumni, and the community. Hofstra Athletics' many accomplishments and the commitment and dedication to athletes is unparalleled.

It gives me great pleasure to congratulate Hofstra Athletics as tonight's Honoree. The program embodies dedication to Hofstra University and the community.

We are living in unprecedented times in which it is never been more important to work together as a community to face challenges. It is with this in mind that I commend Hofstra Athletics for their outstanding contributions to the community and the university.

Best wishes and keep up the superb work.

Sincerely,
