Dear Friends,

I am writing on behalf of the entire Hempstead Town Board and the nearly 800,000 residents of America's largest township to congratulate Hofstra University on its 30th Annual Gala.

As a lifelong resident of the Town of Hempstead, I have always followed and supported Hofstra University's many prestigious athletic programs. It was thrilling to watch the men's basketball team return to the NCAA Tournament for the first time in 25 years. Indeed, from basketball to soccer to wrestling and more, the Hofstra Athletics program is among the best in the nation. We are proud that this esteemed organization is a part of America's largest township.

I commend President Susan Poser and the entire Hofstra University administration for continuing to support and enhance the school's premier athletics programs, and for investing in future generations of Hofstra's student-athletes.

Congratulations once again and have a great event!

Sincerely,

John Ferretti
