Dear Friends:

Greetings to all those gathered this evening for the Third Annual Friendsgiving Dinner hosted by the Norwegian Christian Home and Health Center. Since 1903, the Norwegian Christian Home and Health Center (NCHHC) has worked to ensure an excellent level of care for residents and patients of all faiths and backgrounds.

Congratulations are due to this year's honorees. Their leadership, service and accomplishments are worthy of your recognition.

Offering independent living, assisted living and skilled nursing care, the Brooklyn-based Norwegian Christian Home and Health Center has grown over the years, now offering a state-of-the-art, 135-bed skilled nursing facility, along with assisted living apartments and independent living units. In addition, NCHHC offers a short-term rehabilitation center with the latest equipment, designed to help get patients back to their normal routines. As it has evolved, the Center has honored its founding commitments to providing individualized care, spiritual enrichment, social services and a warm, dignified environment for its residents. The dedicated officers, board, staff and supporters of the Norwegian Christian Home and Health Center are helping people achieve dignity, independence and comfort.

Best wishes for a joyful celebration and continued success.

Sincerely,

Thomas P. DiNapoli
