On behalf of the Norwegian Christian Home & Health Center, it is our great pleasure to invite you to join us for a memorable evening of celebration, fellowship, and gratitude in support of the mission of the Home.

On this special evening, we are proud to honor individuals whose friendship, dedication, and generosity have made a lasting impact on the Norwegian Christian Home & Health Center and who continue to be an important part of its enduring legacy.

Michael V. Webb, Chief Executive Officer at Comprehensive Skilled Care Solutions. Michael is an accomplished healthcare executive and speech-language pathologist with extensive experience in skilled nursing, clinical services, regulatory compliance, and program development. He holds a master's degree in Communication Disorders from The College of Saint Rose and a Master of Healthcare Administration from the University of Ohio. In addition to continuing his clinical work, Michael plays an integral role in the business and program development of Comprehensive Skilled Care Solutions (CS2), helping ensure regulatory compliance and quality services for the hospitals and skilled nursing facilities the organization serves. His dedication to improving the quality of healthcare makes him a valued leader and deserving of the Distinguished Service Award.

Jason Romano, Chief Financial Officer at Comprehensive Skilled Care Solutions and several other healthcare-related entities. He is a graduate of Columbia University's School of Engineering & Applied Sciences, where he earned a Bachelor of Science in Industrial Engineering and Operations Research. After beginning his career on Wall Street and serving in senior financial leadership roles, Jason transitioned to healthcare in 2014, joining Theradynamics as Vice President of Finance and Human Resources. Outside of his professional responsibilities, Jason enjoys golf, softball, basketball, billiards, and darts. Tonight we honor him with the Distinguished Service Award.

Evans Pierre is Vice President of Tarian and has more than two decades of experience in the security industry. Evans Pierre is a dedicated leader known for his commitment to service, teamwork, and building strong relationships. Since joining Winfield Security, a Tarian company, in 2012, Evans has played an important role in developing high-performing teams and fostering a workplace

culture where employees feel supported, valued, and empowered to succeed. Evans holds an MBA in Public Administration from John Jay College and a bachelor's degree in Criminal Justice. He is also a New York State Certified Training Instructor for Security Guards. His people-first approach to leadership, commitment to professional development, and dedication to exceptional service make him a deserving honoree of our Business Partner Award.

Doug Spinoso, Commercial Van Manager at Mercedes-Benz of Edison. Doug was raised in Bay Ridge, Brooklyn, where his family has been deep-rooted since the early 1900s. Doug is a seasoned automotive professional and brings a strong sense of tradition and community to his 18 years of commercial van industry expertise. Doug leverages nearly two decades of specialized knowledge to help businesses select, customize, and manage their commercial fleets at Mercedes-Benz of Edison. Doug is deeply committed to giving back, having been actively involved in community service for over 25 years. For the last two years Doug has served as the Committee Chair for the Norwegian Christian Home Golf Outing providing leadership and guidance. He currently resides in North Plainfield, New Jersey, with his family and is happily married to his beautiful wife, Ziada. They have one son, Christian. Tonight we will honor him with the Community Friendship Award.

All of tonight's Honorees have shown a heartfelt dedication to the well-being of the Home; it's residents and staff and are mainstays of the healthcare community. Norwegian Christian Home is delighted to acknowledge these individuals for their contributions.

We ask that you share in the celebration and good company at Gargiulo's while supporting a great cause!

Sincerely,

Anthony J. Restaino, CNHA, FACHCA
Executive Director
