

*Congregation Beth Tikvah*

*Stuart Spector*

Marilyn and I joined Congregation Beth Tikvah (formally Wantagh Jewish Center) in 1987 when we moved here from Brooklyn. Our two daughters, Lisa and Bonni both had their Bat Mitzvah at The Wantagh Jewish Center.

After being on the Men's Club board, I became President from 1997 to 1999. I continued to serve on the Men's Club Board again until I served as Men's Club President again from 2016 to 2017.

In between, I have been on numerous committees, had numerous vice president duties for our shul and became President of Congregation Beth Tikvah from 2012 to 2014.

As you could tell, CBT has played a very, very, very large part of my life. Marilyn and I have many wonderful friends whom we cruise with, break fast with, have BBQ's with, spend many days playing Mah Jongg and poker with, and going stadiums to watch baseball games with.

Marilyn and I just celebrated our 39th Wedding Anniversary. We met in 1977 and got married in 1979.

I was an elementary school teacher for more than 25 years before I became an assistant principal in 2003. I retired from a great career in 2009.

I love baseball and have been to 26 of the current stadiums. As my wife says, I watch anything with a ball.

I am a rock n' roll fan of the 50's and 60's and love the music of Elvis Presley. I have been to Graceland in Memphis 3 times and wish it was a little closer.

Thank you to The CBT Men's Club for selecting me as your 2018 Man Of The Year.
