

*East Meadow Jewish Center*

*Dr. Michael Brass*

Michael Brass and his wife, Shana, have been members of the East Meadow Jewish Center for over 17 years. He has held many positions in the Men's club, most recently being the Chairman of the board, and the immediate past president of Men's Club. His involvement in various committees and Men's Club fundraisers is more than customary, in serving as chair for the annual N.Y. Islanders Hanukkah game, ushering during the high holy days, and assisting in the construction of the sukkah.

Michael grew up in North Bellmore, NY, and has been a chiropractor serving the East Meadow community for over 28 years. He is a graduate of the Southern California College of Health Sciences.

Michael and Shana have three beautiful children, Matthew, a senior at the University of Rhode Island, Jessica, a junior at the University of Massachusetts Amherst, and Ilyssa, a freshman at the University of Delaware. Michael is always willing to support, whether it be joining in on minyan, preparing monthly breakfasts, assisting with functions and fundraisers, or running meetings.

Michael would like to express his genuine gratitude for this honor. He views this honor as more than humbling and appreciates the recognition from fellow Men's Club brothers. He would also like to thank his family and community, in conveying endless encouragement!
