

*Shelter Rock Jewish Center*

*Ian Litvak*

Ian Max Litvack lives in Roslyn with his parents and two brothers. He began his Jewish education at Shelter Rock Jewish Center Nursery when he was two years old. He is currently an eighth grader at Roslyn Middle School where he is an A student.

Ian became a Bar Mitzvah in Israel this past August. It was a beautiful day to remember and having Rabbi Martin Cohen officiate made it that much more special. Ian thanks all the people who have helped him prepare for that joyous event and provided him with a strong Jewish foundation.

Ian is an avid roller hockey player who plays for Roslyn as well as his travel team, the 495er's. Ian also runs cross country and plays for his middle school volleyball, and tennis teams. He has spent the past six summers at Camp Lokanda in Glen Spey, New York. Ian also enjoys skiing and all water sports. Ian volunteers on his free time helping younger children learn to skate and learn the sport of roller hockey as well as being a referee for North Shore Pal Athletic League roller hockey program.

Ian is honored to be chosen by Shelter Rock Jewish Center Men's Club as Youth of the Year. He would like to thank all the people in his community who have taught him morals, respect and who have helped made him the young man he is today.
