*Samantha Nosenchuk*

Samantha started her Jewish education at NSJC in their preschool program at the age of 2. As she got older she attended the Solomon Schechter Day School of Suffolk County and continued after the school closed to attend the NSJC Hebrew School. She has been an active member of Kadima and USY. She has attended many METNY USY kinnusim, and encampments. She enjoys participating in USY chapter meetings and is currently the Board President and served as Communication VP for Two years. She went on the USY Israel pilgrimage trip last summer. She highly recommends the trip to all USYers. She is looking forward to going Back to Israel on Birthright in a few years.

She has a very good work ethic. She worked at the Chai five summer camp that she attended when she was young, for many summers when she was old enough. She has worked the last two summers at a local pool store and will continue when she is home from college.

Samantha is a senior at Comsewogue High School where she is taking AP and college courses. She is active in the Athletes helping Athletes program, Suffolk County Youth Court and this will be her fourth year on the Track and Field team.

Samantha is honored to be receiving this award and congratulations to the other honorees. A special Thank you to NSJC Men's club for bestowing this honor upon her.
