*Alicia Slavitt*

Alicia is a senior at Herricks High School. Her education began, like all of her three siblings, at the Early Childhood Center of Shelter Rock Jewish Center. She attended Shelter Rock's Religious School and now volunteers there working with the Gan and Aleph students. Alicia enjoys helping the students and spending time with them.

At Herricks High School, Alicia is on the girls' Varsity Volleyball, Lacrosse and Winter and Competition Cheerleading Teams. She was co-captain of the varsity volleyball team this year and co-captain of the junior varsity volleyball team her sophomore year. This year she received the scholar-athlete award for Herricks volleyball from the Nassau Volleyball Coaches Association.

Alicia enjoys playing flute. She plays in the Herricks High School Wind Ensemble and was selected to play in the All-County Band three times.

Other activities at Herricks that Alicia participates in include Mock Trial and Moot Court. She is captain of both of those teams.

Alicia wishes mazel tov to her co-Youth of the Year winner Josh Shlefstein, with whom she started her education way back in Shelter Rock's ECC.
