

*North Shore Jewish Center*

*Finn Rubman*

Finlay Rubman is an honor roll student at The Stony Brook School and an active member of USY at his Temple, North Shore Jewish Center. Finlay's time at North Shore JC began at a young age. His passion for Judaism grew strongly with each Wednesday and Sunday Hebrew School class. He has since enjoyed his time with the USY, attending regional, national and chapter events. Finlay enjoyed his chapter of USY so much, he ran for SA/TO and then Rel/Ed and then Chapter President. Every year he has matured in his experience and given as much as he has to offer in return.

Finlay has attended Metny USY Kinusses, Regional Conventions, International Conventions, USY Proms, Summer programs and everything else USY has held. He returned from USY's Eastern European Summer Pilgrimage with a new passion for Judaism and was therein determined to run for Chapter President.

Finlay is not just a committed USY'er though. In his time away from the Temple, he volunteers as an active firefighter with the Nissequogue Fire Department and is currently training to become an EMT, he is Captain of the Varsity Wrestling Team, he works as a certified Lifeguard, he holds First Chair- trumpet section- in the school Orchestra and he remains the USY Chapter President.

Finlay wishes to thank the FJMC and the North Shore Jewish Center Men's Club for bestowing this recognition on him. He would also like to extend his congratulations, or a hearty Mazel Tov, to the other honorees.
