DEDICATION OPPORTUNITIES

CAMPUS NAME \$2,000,000

The Campus Naming Dedication is the most comprehensive and enduring naming opportunity at Ohr HaTorah. It honors an individual or family whose vision and generosity have made a transformative impact on the yeshiva as a whole.

Naming the campus represents a legacy investment in every aspect of Ohr HaTorah—its Torah learning, academic excellence, student life, and future growth. This dedication permanently associates the honoree's name with the mission, values, and lasting success of the yeshiva, serving as a source of inspiration for generations to come.

BUILDING NAME \$2,000,000

The Main Building is the heart of Ohr HaTorah's campus, serving as the central hub for learning, administration, and student life. It represents the foundation upon which the yeshiva operates each day, supporting both academic excellence and spiritual growth. A dedication of the Main Building reflects a transformative investment in the present and future of the school, leaving an enduring imprint on the entire Ohr HaTorah community. Building dedication signage will be placed in the front exterior of our main building facing Hollywood Blvd.

CLASSROOM BUILDING NAME \$500,000

The Classroom Building is where learning comes to life—where students engage daily with Torah, academics, and personal development. Naming the Classroom Building honors the essential role of education itself, supporting a structured, inspiring environment that nurtures growth and achievement. This dedication recognizes a donor's commitment to the educational mission of Ohr HaTorah and its students. Building dedication signage will be placed on the exterior of the classroom building.

ANNEX BUILDING \$360,000

The Annex Building plays a vital role in the daily life and growth of Ohr HaTorah. It houses essential classrooms and student spaces that allow the yeshiva to expand its educational offerings while maintaining a warm and structured learning environment. Naming the Annex Building provides a prominent and lasting tribute, symbolizing a donor's partnership in the physical and educational expansion of the school. Dedication signing will be conspicuously placed on the annex building.

SCHOLARSHIP FUND NAMING \$360,000

The Scholarship Fund Naming opportunity supports students and families by providing critical tuition assistance and ensuring that

financial limitations never stand in the way of a Torah education. This fund directly impacts lives each year, offering dignity, opportunity, and continuity to families in need. Naming the Scholarship Fund creates a meaningful legacy of generosity, enabling students to thrive today while securing access to a Yeshiva education for future generations.

YESHIVA CHESED ENDOWMENT \$152,000

The Yeshiva Chesed Endowment supports and strengthens the culture of kindness and responsibility that defines Ohr HaTorah. This five-year dedication will directly fund chesed initiatives while engaging our talmidim in meaningful acts of giving and service. As part of this naming opportunity, all chesed announcements presented by our talmidim will bear the name of the chesed sponsor, providing continued recognition throughout the school community. This dedication creates a lasting impact by supporting chesed today and inspiring the next generation to lead with compassion.

FOUNDERSHIP DEDICATION \$126,000 (5 AVAILABLE)

The Foundership Dedication honors individuals or families whose vision, leadership, and generosity helped lay the foundation of Ohr HaTorah. This dedication recognizes those who played a pivotal role in establishing the yeshiva and shaping its mission, values, and growth from the very beginning. The foundership dedication plaque will be displayed in our main atrium.

BUILDING CORNERSTONE \$52,000 (2 AVAILABLE)

The Cornerstone dedication represents the literal and symbolic foundation of the yeshiva. It commemorates the vision, strength, and values upon which Ohr HaTorah was built. A cornerstone dedication is a timeless tribute, permanently embedded into the structure of the building, honoring those whose support laid the groundwork for the school's success and continued growth.

MEMORIAL LECTURE SERIES (2 YEARS) \$52,000

The Memorial Lecture Series is a meaningful way to honor the memory of a loved one through ongoing Torah learning and inspiration. This dedication sponsors a series of scheduled lectures delivered throughout the year, bringing students, faculty, and community members together for meaningful לימוד תורה and reflection. Each lecture is presented in memory of the honoree, ensuring that their legacy continues through learning, growth, and the transmission of Torah values to future generations.
