Dear Friends:

It is a great pleasure to congratulate Schechter School of Long Island and all its faculty, staff, students, and parents on the special occasion of its 50<sup>th</sup> Anniversary Gala.

I also send my very best wishes to this year's special honorees: Dr. Cindy Dolgin, Diana and Howard Wohl, and past presidents.

The Schechter School of Long Island is one of the community's great resources, offering valuable educational opportunities to the children of Long Island. It will continue to be a vibrant and worthwhile part of our education system for many years to come.

Best wishes for continued success.

Sincerely,

Anthony D'Urso
