Dear Schechter School of Long Island, and Community,

It is our pleasure to have had you in our organization for the last four years! You have grown as a school community, contributed to our professional development, lent your experience and expertise to our own knowledge base, and translated everything you offer to an outstanding community of students and leaders. We commend you on 50 years of growth, success, education and inspiration to others.

We have come to know SSLI through our rigorous processes, and have watched it develop in the areas of technology, leadership, and growth in its own community.

We recognize continued growth, and encourage the highest standards in our relationships with our schools. We also recognize the leadership of SSLI, past and present, as they continue to nurture students throughout their lives:

**Dr. Cindy Dolgin, Head of School**  
**Diane and Howard Wohl, Longtime SSLI supporters**

**Past Presidents:**

Joachim Jean Aberbach, z”l  
Bernard Kauderer  
Beth Ostrow

As SSLI empowers students to be critical thinkers, ethical leaders and globally engaged citizens, so NYSAIS encourages schools to strive to reach their potential. SSLI takes its mission to heart, and has proven itself through achievement of Full NYSAIS Accreditation.

Congratulations on your successes, SSLI administrators, teachers, leaders, students and community! NYSAIS looks forward to a long future of assisting you through our continued relationship!

Best regards,

Mark Lauria and the NYSAIS Staff
