Dear Friends,

Welcome to the Schechter School of Long Island's Annual Gala.

Since its founding, the Schechter School of Long Island has inspired students to pursue their dreams and equipped them with the knowledge and skills to make those dreams reality. Each person here has helped the Schechter School of Long Island further that important goal and should be very proud of their role in helping students grow and develop.

Congratulations to tonight's honorees: Janet & Albert Hakim, Ida & Eric Kalimian and Phyllis Simon & Meyer Steinberg. Their efforts, devotion and commitment have helped the Schechter School of Long Island build upon its well-earned reputation as a premier institution of education.

Enjoy tonight's festivities and congratulations once again for all of your good work.

Sincerely,

A handwritten signature in cursive script that reads "Elaine Phillips".
