Dear Friends,

Please allow me to join The Schechter School of Long Island in celebrating its Annual Gala and recognizing tonight's distinguished honorees.

The Schechter School of Long Island dedicates itself to providing outstanding education and learning opportunities for children grades K-12. This year's gala is inspired by the 2018 Gregorian calendar and the Hebrew word Chai, which means life. I would like to thank Schechter's faculty, staff, and administration for their unyielding commitment to filling student life with excellence, commitment, and success.

I would like to extend my congratulations to this year's outstanding honorees, including Janet and Albert Hakim, Ida and Eric Kalimian, and Phyllis Simon and Meyer Steinberg. I am very grateful for your leadership and service in your respective fields.

On behalf of the residents of New York's fourth congressional district, I would like to applaud all of tonight's distinguished honorees and extend my best wishes to The Schechter School of Long Island.

Sincerely,

KATHLEEN M. RICE
Member of Congress
