S1 GAN HANDS OF UNITY - OUR PRECIOUS FUTURE

Our Gan children created this special piece by placing their colorful handprints in a circle- a beautiful symbol of unity, friendship, and belonging. Designed in the shape of a coin, it represents value, reminding us that nothing is more precious than our children and their bright future. The coin reflects a simple truth: our greatest treasures are the ones we hold closest to our hearts.

Value: Priceless

Starting Bid: \$150

S2 FOURTH GRADE - WALKING TOWARD THE LIGHT

Inspired by the biblical story of the Parting of the Red Sea, this artwork reimagines the moment the Israelites crossed to freedom. Students thoughtfully created and placed their own silhouettes within the scene, reflecting both their creativity and effort. Each figure symbolizes courage, faith, and the belief that even in uncertainty, a path forward exists.

Value: Priceless

Starting Bid: \$150

S3 FIFTH GRADE - DAVID BEN-GURION

David Ben-Gurion, Israel's first Prime Minister, was a visionary leader in the founding of the State of Israel. In his honor, 5th grade students used the grid technique to create a collaborative portrait, each contributing their creativity to reflect his courage, determination, and lasting legacy.

Value: Priceless
