Today, we honor the memory and the legacy of the late Dr. Bruce Greene (z"l).

Bruce was first and foremost devoted to his family, his beloved wife Susan and son Mark. They were the center of his world. Susan was his *basherte*, his partner and his best friend. He was so proud of all Mark's many accomplishments, and his love for him as a father knew no bounds.

Bruce also dedicated himself to the sacred work of the Jewish community and of Temple B'nai Abraham. Whether it was volunteering, serving on committees and eventually the board as a member and then temple president, Bruce spent countless hours to make Temple B'nai Abraham the community that it is.

Outside of the temple, Bruce was also a respected doctor, one who cared deeply about his patients and their wellbeing. He supported them, guided them, and did his utmost to help heal them.

Bruce's loss has been a tragedy for his family, his community and his patients. May his memory always bring blessings.

B'shalom,

Jessica
