

Dearest Gail,

It's so difficult to imagine Temple B'nai Abraham without your fabulous presence...advising, nurturing, supporting, collaborating, cajoling, calming —you have expertly sustained the growth and equilibrium of this congregational family for 25 years...you deserve a rest!

When I began my career at TBA 21 years ago, we started as valued colleagues, but today I consider you a treasured friend, an appreciated advisor on many of life's experiences. Your graciousness with your time knows no boundaries.

So put down the cell phone, pick up a flower and stop and smell the roses, my friend! I am certain you will involve yourself in many wonderful things in retirement! Just enjoy!

Thank you for all you do!

Much love,
Tina Greenberg
