Rabbi Max Edwards

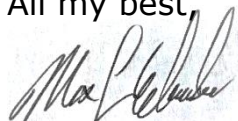

Gail,

What a remarkable tenure you have had at Temple B'nai Abraham. While our overlap only lasted one and a half years, I am immensely grateful for our time shared on staff. Throughout the most challenging days of the pandemic, you led our staff and organization with wisdom and understanding.

You are thorough, knowledgeable, and a leader with a superior sense of integrity. I know your door always to be open, a metaphor that extends far beyond your office walls.

Temple B'nai Abraham will always be a home for you, and your legacy will extend here for many years to come. I wish you and your family many wonderful, *simcha*-filled years in retirement.

All my best,

Max Edwards
