Today, we honor Julie Silbermann.

Julie has dedicated herself to the sacred work of the Jewish community of Livingston and above all that of Temple B'nai Abraham. Whether volunteering, performing committee work, being on the board, an officer and eventually an incredibly twice-serving temple president, Julie has spent countless hours in support of Temple B'nai Abraham.

Her passion and attention to detail have served Temple B'nai Abraham through a difficult time of transition. Truly, we would not be the special community we are today without her leadership.

B'shalom,

Jessica
