

Dear Julie,

What a *long, strange trip it's been...again!* We are so *grateful* to have had the honor of being part of the Ways and Means Committee and working with you. We started nine years ago when we invited everyone to *Kellerman's for some Dirty Dancing*. Next, we were so happy *To Be a part of New York, New York*. In 2017, we honored you in tie dye and were all *Feeling Groovy*. Next, we rolled out the *red carpet for an Oscar-worthy evening* and the award goes to you! Then *we traveled around the world with Rabbi Kulwin*. We *Zoomed* through the next two years, and after being vaccinated we were finally able to celebrate in person again when we spent *A Night in Napa*. Now, in 2023, we honor you again because one time just wasn't enough! Here's to you, Julie Silbermann -- we love you more than you will know! Enjoy your next adventure. It's time to *Hang It Up and See What Tomorrow Brings*. *There's nothing left to do but smile, smile, smile!*

Love,
Illana and Erica
