Dear Larry and Jackie, Richard and Poppy, Glenn and Marcie,

Please accept my heartiest congratulations as you receive the Temple B'nai Or Tikkun Olam Award.

You have exemplified true commitment to tikkun olam, repairing the world, through your giving of time, generosity and support of Temple B'nai Or and the greater community.

The Tikkun Olam Award appropriately reflects the endless hours you have spent serving as role models for hard work, sharing of bounty and dedication, as well as caring, compassion and love.

You are wonderful examples to all of us for how to live our lives fully as Jews.

Mazel Tov!
