Dear Friends,

Congratulations to the Jewish Educational Center on your Annual Testimonial Banquet and the 60th Anniversary of the Rav Teitz Mesivta Academy. We would like to extend our warmest wishes to Rabbi Mordechai Tokarsky and Rabbi Chaim Strauchler, two exemplary members of the RTMA alumni community, Howard and Charlotte Block, whose vision helped to shape the Jewish Educational Center, and Shoshana and Dr. Brian Allen, this year's parents of the year. Congratulations and well wishes to you all!

The Jewish Educational Center's dedication to the Elizabeth/Hillside community and to the 20th Legislative District at-large is extensive. From educational services to community outreach, the JEC's contributions are invaluable. To the honorees, it is truly a privilege to be recognized by such an outstanding organization.

Sincerely,
