JAMEL C. HOLLEY
ASSEMBLYMAN

To our friends at the Jewish Educational Center of Elizabeth—

Mazel Tov on the 76th anniversary of the JEC in Elizabeth and the success of your annual gala Celebrating the Past and Embracing the Future!

It is our great honor to join you in celebrating Dr. Aryeh & Myra Pirak, David & Sarah Goldstein, and David & Debra Schiff for their outstanding dedication to our community.

Education and community service are the foundations of just communities – and our community in Elizabeth has been continually strengthened by the charitable works of the Elizabeth JEC and its dedicated community members, like Aryeh, Myra, David, Sarah, David, and Debra, since 1941.

We wish you continued success in all your endeavors. May you live to be 120!
