Dear Marcie and Mark Berger,

As Supervisor and on behalf of the Town of Mamaroneck Town Council, I congratulate you both on being honored by Westchester Jewish Center (WJC) at the 2025 Spring Gala this evening.

Marcie and Mark, you have been involved with and committed to WJC since you entered their doors 25 years ago. Mark, you currently serve as a WJC Officer and spend an inordinate amount of time ensuring everyone's safety at WJC as head of the Security Committee. Other committee roles you have held include Brotherhood and Spiritual Life Committee, leading Team Tefillin, assisting with strategic planning, and co-chairing a Cantor Search Committee. In addition, you lead daily and Shabbat morning services.

As your children entered the WJC nursery school and later, the religious school, Marcie volunteered as a Class Parent, on the Parent Auxiliary Committee, and co-chaired the Religious School Parent Subcommittee. You also helped with class celebrations, the Purim Carnival, and Succah decorating. For over 20 years, you have been a consistent cook for the Bikur Cholim Committee. You are most proud that you can keep everything in order at home to allow Mark to attend meetings and events over the years.

We appreciate your many contributions and dedication to WJC and congratulate you both on being recognized by Westchester Jewish Center.

We hope you enjoy the evening's festivities.

Sincerely,

Jaime Elkind Eney
Supervisor, Town of Mamaroneck
