Dear Tracey and Evan Levy,

As Supervisor and on behalf of the Town of Mamaroneck Town Council, I congratulate you both on being honored by Westchester Jewish Center (WJC) at the 2025 Spring Gala this evening.

You have each found unique ways to make contributions to the WJC family and, therefore, your community. Tracey, you have served on several WJC committees. You currently chair the Spiritual Life Committee. In the past, you chaired the Strategic Planning Spiritual Life Subcommittee and served on the search committee that led to hiring Rabbi Dalton, and you are currently a WJC Officer. Evan, you are an integral part of Shabbat and festival services as the gabbai coordinating honors, where you delight in enhancing s'machot with candy and silly hats! Together, you have appeared in Purimspiel and proudly march up Fifth Avenue with WJC in the annual "NYC Celebrate Israel Parade."

Outside of WJC, you both have held roles in UJA Federation Westchester. In addition, Evan served as a President of Carmel Academy, and Tracey is currently a Director on the Feeding Westchester Board.

We appreciate your efforts and dedication to WJC and congratulate you both on being recognized by Westchester Jewish Center.

We hope you enjoy the evening's festivities.

Sincerely,

Jaime Elkind Eney
Supervisor, Town of Mamaroneck
