Dear, WLCJ Friends and Partners:

On behalf of the Federation of Jewish Men's Clubs, (FJMC) I want to congratulate the incoming and outgoing leadership of Women's League for Conservative Judaism (WLCJ).

How exciting that we have our 2017 conventions back to back? Carol and I spoke about this and it has come to fruition. How amazing it is when arms of the movement partner and work together. WLCJ and FJMC have partnered to ensure that, as we engage our respective organizations within our synagogues, we help strengthen both Sisterhoods, Men's Clubs and Masorti / Conservative Judaism in our communities. Our two organizations goals are very similar and both organizations are the primary portals into our Synagogues and the Jewish Community. I know both organizations have benefited by this partnership and I'm sure under the next administrations they will continue moving forward.

Mazal tov to Carol Simon and her leadership team, and Mazal tov, to the next WLCJ leadership team with Margie Miller at the helm.

Best wishes for a successful and enjoyable 2017 Convention, celebrating your 100th year anniversary!

MAZAL TOV,

Allan Gottesman,
