To the Women's League for Conservative Judaism,

Congratulations on your 100th year! As a preeminent voice of women of the Conservative Movement, the Women's League for Conservative Judaism (WLCJ) is a dynamic force that represents its membership in myriad ways.

Your work strengthens and unites women's groups around the country, reinforcing the bonds between women, with Eretz Yisrael and Jews around the world. You nurture the next generation of rabbinic leadership through Torah Fund, enhance your local kehillot and support Conservative Judaism.

We at United Synagogue for Conservative Judaism are proud partners of WLCJ. We look forward to strengthen that partnership as you engage a new vision for your next century.

Mazal tov on this achievement and best wishes for a wonderful conference.

B'shalom,

Rabbi Steven Wernick
