Dear Friends:

I am pleased to extend my warmest greetings to Women's League for Conservative Judaism as it celebrates its 100<sup>th</sup> anniversary.

Throughout its history, Women's League has been a tireless and effective advocate for Conservative Jewish women. By providing a network through Sisterhood chapters and with individuals, Women's League ensures that all of its members are connected and empowered to have a voice in their own synagogues and communities. And by linking each voice to the others, Women's League has had a significant impact on numerous important issues.

I applaud Women's League on its many accomplishments over the past century. It has contributed greatly through its efforts in advancing the status of Jewish women in daily life, religious equality within Conservative Judaism, and religious pluralism globally. I am grateful for all that Women's League does to inspire, educate, empower and enrich our community.

You have my congratulations on this very special milestone, my gratitude for all you do, and my best wishes for a wonderful celebration.

Sincerely,

Chris Van Hollen  
United States Senator
