

On behalf of Women's League, we would like to congratulate the 2017 YINR Annual Dinner honorees; Ruth and Bob Lewis, and Adina and Lawrence Garbuz. Collectively their efforts have touched every feature of our YINR community. Moreover, Ruth and Bob and Adina and Lawrence have been true supporters and leaders of Women's League programs and events. In particular, Women's League would like to thank Adina for all her hard work as a past co-president.

Women's League supports YINR members in all aspects of their lives, welcoming new neighbors, celebrating births and other smachot, and offering support in time of need or mourning. We provide a framework for families to build friendships and connect with one another with social events and communal activities. In addition, we raise critical funds to support our Shul, our Mikvah, and those in need within the greater Jewish community.

It is only with the help of dedicated volunteers like tonight's honorees and so many others, that Women's League is able to support our community to the level that it does. We hope all our members are inspired by our honorees' commitment to our community to become involved in Women's League and the Shul.

We thank you, Ruth and Bob, and Adina and Lawrence, for all you have done and all you will continue to do, and we wish you Mazel Tov of this well-deserved honor! May you continue to go from strength to strength together with your beautiful families.
